
HANDLING OF PERSONAL INFORMATION RELATED TO Pigeon Partners Line

1. INTRODUCTION

This document sets forth the handling of personal information by Pigeon Corporation's (hereinafter referred to as the "Company") internal reporting window, the Pigeon Partners Line (hereinafter referred to as the "Partners Line").

The Partners Line is designed to identify fraud and other issues affecting the Company and its Group companies (hereinafter referred to as the "Pigeon Group") in advance and to ensure sound management. At the same time, we are very concerned about the protection of personal information received at the Partners Line and will do our utmost to protect personal information at the Partners Line.

2. DEFINITION

Partners Line: this whistleblower contact

Acts in violation of laws and regulations, etc.: acts in violation of laws and regulations, etc., acts in violation of various internal rules established by Pigeon Group; and other acts related to Pigeon Group's business activities that are in serious violation of compliance rules or social norms, by Pigeon Group and Pigeon Group employees and officers

Acts subject to reporting: acts in violation of laws and regulations, or acts that are highly likely to be in violation of laws and regulations, etc.

Reporting: notifying acts subject to reporting by Pigeon Group and Pigeon Group employees and officers.

Consultation: receiving necessary advice prior to or in connection with the reporting.

Personal Information: Information that can be used to identify an individual and is contained in a report registered with the Partners Line.

Target case: a case related to an act subject to reporting which was reported or consulted with the Partners Line.

Informant: a person who makes a report to the Partners Line.

Reported person: a person who was reported for having conducted an act subject to reporting or intended to conduct such an act.

Persons involved in the report: persons or organizations mentioned in the report.

Data manager: a person who has primary responsibility for the handling of personal information and determines the methods and policies for its processing.

Data processor: a person who actually collects, stores, and processes data under the direction of the data manager on behalf of the data manager.

Sensitive data: personal information that, under the laws of each country, could seriously affect an individual's personality if known to a third party, including racial or ethnic origin, political, religious or philosophical beliefs, trade union membership, genetic or biometric data, health, sexual life, etc., as defined by each country.

3. LAW GOVERNING HANDLING OF PERSONAL INFORMATION

The personal data at the Partners Line is processed based on the legitimate interests of the data manager to investigate and correct fraudulent activities within the Pigeon Group, in compliance with the privacy protection laws established in each country.

4. CONSENT

In order to use the Partners Line, you must consent to the processing of your personal information in accordance with our Personal Information Protection Policy as described in this document.

However, even if you do not disclose your name because you do not agree with the terms of the agreement and thereby have some negative impact on the Company or others, you will not be punished or treated unfavorably based on that fact.

The Partners Line can also be used anonymously without providing your name or other personal information.

5. ORGANIZATION WITH JURISDICTION OVER THE Partners Line

The parties operating the Partners Line are as follows

5-1. ESTABLISHER OF Partners Line

Pigeon Corporation
